

NORTH WALES HORSE WATCH

HORSE AND EQUIPMENT RECORD FORM

61578 Designed by North Wales Police.

Horse watch is the equine version of Neighbourhood Watch. It is about horse owners working in partnership with North Wales Police to prevent crime and to reduce the fear of crime. In the same way that Home Watch reduces residential crime, Horse Watch can help prevent equine crime, whether that be the theft of a horse, trailer, tack or any other items we use and is of value.

Please keep this form in a safe place. You will need it if your horse and/or equipment is lost or stolen.
